To : Whom it may concern,

**Attestation note – PARTNERS IN RURAL INTEGRATION AND DEVELOPMENT ORGANIZATION
SIERRA LEONE (PRIDO-SL)**

I write to attest that **PARTNERS IN RURAL INTEGRATION AND DEVELOPMENT ORGANIZATION SIERRA LEONE (PRIDO-SL)** is a recognized organization by the Ministry of Agriculture and Food security – Bombali District office operating as a local Non-Governmental Organization. They currently have their administrative office in Makeni, Bombali Shebora chiefdom, Bombali district.

PRIDO-SL has helped transform a number of rural communities in Sierra Leone. Through their multifaceted approach, PRIDO-SL has demonstrated a profound commitment to addressing pressing agricultural, environmental and social challenges in the district. Its project focuses on building synergies with ongoing “**Feed Salone**” initiatives implemented by the government.

In the realm of agriculture and food security, PRIDO's initiatives have been instrumental in empowering communities to improve their agricultural productivity and resilience. Through training programs, demonstration farms and input support, they have enhanced food availability and income generation opportunities for rural households.

The organization's work in climate solution and environmental protection is exemplary. Their tree planting initiatives, conservation efforts, and community-led environmental management projects have significantly contributed to restoring degraded ecosystems and promoting sustainable land use practices. Their dedication to environmental stewardship has inspired community members to take ownership of their natural resources.

From the forgoing, I wish to recommend the organization for any assistance they may require to upscale their operations that will help contribute to the overall objective of achieving food security in the country.

Yours faithfully,

Lamin A B. Mbogba

District Agriculture Officer, Bombali
